

Process and deadlines

30 May

Application deadline for the first lottery round. You must have a conditional admission to be placed on the list.

31 May

Notification if you've been assigned a room or not, and if so, the date it will be available.

4 June

Deadline to accept the room. You'll receive the contract and payment details for the deposit and rent from the landlord. For non-EU students, the deposit and rent will be deducted from your IND-deposit.

15 June

Deadline to email the signed contract and make the payment to the landlord. For non-EU students, this is also the deadline for payment of all required fees, including the IND-deposit. Once we receive the contract and payment from you, the room is 100% yours!

18 June

Start of the second lottery round if rooms are still available. If you weren't assigned a room in round 1, we'll inform you about participating in round 2.
